**Re: Discontinuance of Calling Card Services**

To Whom It May Concern:

Due to adverse business circumstances, One World Telecommunications Corporation ("One World") will discontinue providing all of its domestic calling card services. One World's domestic customers located in Florida, Nebraska, New Jersey, Pennsylvania and Utah will be affected by this discontinuance.

To minimize any inconvenience to you, One World intends to provide you with a reasonable time to examine alternative carrier choices and to arrange the transfer of your business to another carrier. Accordingly, all calling card services provided by One World to you will be cancelled on February 15, 2004 (the "Discontinuance Date"), or as soon thereafter as any necessary Federal Communications Commission ("FCC") approvals are obtained. In order to avoid interruption of your telecommunications services, please make immediate arrangements to obtain such telecommunications services from another carrier in advance of the Discontinuance Date.

The FCC will normally authorize the proposed discontinuance of domestic service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object to the discontinuance of your domestic services, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, DC 20554, referencing the Section 63.71 Application of One World Telecommunications Corporation. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Very truly yours,

Michael J. Mahoney  
President
